

Doki Doki! Pretty Cure Jumpchain

Introduction!

Hi there, cutie-patootie! Welcome to the super-duper magical world of Precure! Forget about the Doki Doki Literature thingy – we're all about the power of friendship and showing off our awesome moves with a side of girly flair!

Imagine a place called Oogai Town, where we'll dive into the cuteness overload and gather some precious CP! And who says adorable girls can't be super strong? Not in our universe! Get ready for a dose of cute, a sprinkle of magic, and a whole lot of kick-butt moments! Let's go, kawaii warrior!

+1000cp

Gender

You may change your gender to female for free, or you can change it to male for 100cp

Location

You may choose between two locations to start your jump. You will arrive around 3 days after the fall of the TRump kingdom.

Oogai Town: is like the super-duper main town in the show where Aida Mana, Hishikawa Rikka, and Yotsuba Alice lived and had all their cute growing-up moments! It's somewhere on Earth, specifically in Japan – you know, where all the adorable anime towns seem to be!

Trump Kingdom: It's this mythical kingdom tucked away in another dimension under the amazing control of Princess Marie Ange. Everything was all about peace and happiness until one gloomy day, the Selfish Trio and their Selfish King decided to turn everyone into Jikochuus, making the kingdom go all bad and stuff! But oh dear, Princess Marie Ange wasn't having any of that. She teamed up with her servants and her super friend, Cure Sword, to fight against the Selfish gang. Talk about a magical showdown! Princess Marie Ange, being the absolute cutie she is, tried her best, but she needed some extra sparkle power. Unfortunately, she got locked up in a mirror.

Origin

Civilian(drop in option)(free): You're just a regular, everyday person plopped into a world where monsters are like, "Hello, destruction party every week!" Talk about being unlucky, huh? But guess what? You're not here to fight, you're here to shine!

So, instead of super cool powers, you get to show off how your passion or job can be a total inspiration to everyone! Just living your best cute life and hoping the Precure swoops in to save the day! Good luck, darling! Oh, and by the way, you can be anywhere from 8 to 80 years old – pick your perfect age! Let's make the most of it, yay!

Pretty Cure(100cp): Oh my gosh, you're one of those super legendary warriors picked to save the world from darkness! How amazing is that? You've got this adorable fairy buddy who chose you to be her or his partner, and get this – you got a special pin from this super shady but totally dreamy bishonen who runs a cute accessory shop in town! Talk about magical!

You're like, this warrior with a dash of sweetness and sparkle, ready to kick evil butt! And guess what? You can be anywhere from 8 to 17 years old – pick the perfect age for your kawaii hero self! Let's rock this battle against the forces of darkness together! Yay!

Mascot(free): Oh my goodness, like, surprise! You're not a legendary warrior after all, but this cute talking plushie – I mean, fairy! Teehee~ This is totally where the series gets all its adorable charm, right? Whether you wanna help out the Precure or just chill, it's totally up to you. No pressure, 'kay?

And, like, nobody would blame you if you didn't, 'cause your current form is all weak and stuff. Age? Pfft, pick any age you want – we're all about that cute and flexible vibe! Let's see what kind of magic we can stir up together, kawaii friend!

Jikochū(200cp): Oh my, looks like you've joined Team King Jikochū! Ready to spread a little mischief and chaos, huh? Well, no biggie – even with all your Jumper powers, the Precure are totally gonna squash you with their super sparkly abilities!

Wait, what's that? You think you can actually defeat those legendary warriors of light? Eep! That's, like, a major plot twist! Oh nooooo Age? Oh, just pick any age you like – we're all about that ageless cuteness here! Good luck, but like, not too much luck, okay?

General Perks

CQC(Free/300cp/600cp)

Oh my gosh, picking a super cool fighting style is like, the best decision ever! So, let's talk about the options and the cute perks you'll get, okay?

For 300 CP You're, like, the peak of human awesomeness! Imagine lifting cars or judo-throwing monsters that weigh tons – totally impressive! And, oh, you've got the equivalent of 10 years of training in the fighting style of your choice ! You're not even at your true limit yet – so much more to unlock!

For 600 CP Aww yeah, you've officially shattered limits! Your body is like a super-strong mountain – Godzilla-sized monsters? Pfft, no problem! Your punch can literally send people to space – talk about out of this world! Plus, you're a grand master in your chosen fighting style with over 20 years of training – you're in the top 1% of strength.

Oh, and here's the cutie twist: Precure and Jikochū backgrounds get the 300 CP version for free! But sorry, the super-duper 600 CP awesomeness is exclusively for the Jikochū and Precure backgrounds. They're the only ones who can handle that level of insane power! Let the awesome battles begin!

Civilian Perks

A Hobby or Job of the week (100cp)

You know, living the everyday life can be so much fun, right? But guess what? You've got this super special perk that makes your daily grind totally magical! You've found incredible meaning and kinda-sorta success in a single hobby or job that you totally love! It could be anything – like, owning a cute floral shop, playing with awesome robotics, or even being a super cool construction worker!

And get this, you're not just kinda good at it – you're like, really good! Explaining your hobby or job to others is a breeze, and you do it with so much joy and enthusiasm. Imagine sharing the love for what you do without any issues – it's like, the ultimate cute dream come true! So, whether it's flowers, robots, or building stuff, you're living your passion every day! Yay!

Happy days(200cp)

You know what makes life absolutely worth it? Making friends, of course! And guess what? You're like, the ultimate social butterfly, ready to flutter around and make friends faster than a cherry blossom falls in spring!

The bonds you forge with people are, like, super strong and almost unbreakable. It might take a little time – at least a year of chatting and hanging out, or maybe a max of 3 years for those who used to be a bit shy or antisocial. But seriously, it's like planting seeds of friendship that bloom into the most beautiful flowers!

Oh, and just a tiny heads up – this perk won't work on people who immediately decide to be grumpy-pants and hate you outright. But everyone else? Get ready for a shower of friendship rainbows! Let's make tons of friends and have the greatest adventures together!

I am always going to be saved(400cp)

Oh my goodness, imagine this super-duper scary scenario! There's this, like, totally evil-looking person right in front of you, and poof! Suddenly, your selfish desire to be in a magical girl series comes true – but wait, there's a catch! You turn into this giant black monster, and if you stay that way for too long, you might, like, lose yourself and be super dead.

But don't freak out! The Precure are always gonna swoop in and save you from any danger. Phew! And here's the extra part: this super special perk ensures that someone will always save you from any kind of dangerous situation that you, like, totally couldn't handle or situations that you didn't even cause. Yay for guardian angels, right?

Just a tiny note – if you go all Leeroy Jenkins into a fight without thinking, you might need to take a little responsibility for yourself.

True 1% of the world (600cp)

Imagine being born into this world of luxury and glam! So, here's the scoop – you're, like, the sister of the super fab Yotsuba Alice or Itsutsuboshi Reina, or maybe even the kiddo of some other crazy successful business giant. And guess what? You're the potential heiress, like, the future queen of the business kingdom!

With all the money in the world, you've got the best tutors ever, teaching you all the cool stuff. Charisma? Check! You can totally make people listen and nail those negotiation deals! Business intelligence? Oh, totally! You're a pro

at data-driven decisions! And don't even get me started on your business savvy – you can totally predict trends and grab those golden opportunities to max out those profits!

But wait, there's more ! In future jumps, you're like, the possible heir of any super elite group in that world! Imagine being part of the Four Greater Clans in Bleach or chilling with the Celestial Dragons in One Piece! It's like, the ultimate VIP pass to all the coolest groups ever!

Victory is within reach, and miracles are just a swing away!

Magical Lovely Pad Replica: This mirror, when used with three other allies, becomes a potent weapon capable of delivering a 100% fatality strike. Alone, it can still be wielded, but in exchange for a 100% fatality cost, it grants a 3X boost to your base abilities. It's the mirror of destiny, reflecting both power and sacrifice. Choose wisely, and let the enchantment unfold!

Companions

Old Friends (50cp):

You may import companions you have brought with you, 50 CP each, or 8 for 300CP. Each one gains a free background and 600 CP to spend. They may not take drawbacks, but you may give them CP, spending 100 each time to give them each an additional 200.

My New Team (200 CP):

The magical bonds of friendship are your key to companionship! You can add any four friends or allies you've made in this jump as your companions. This includes both canon characters and anyone you've forged a magical connection with during your adventures. Together, you'll create a party brimming with friendship and power!

You can purchase this perk multiple times, expanding your circle of companions and multiplying the strength of your friendship bonds. The more, the merrier on your magical journey!

Drawbacks

(+100cp) Annoying talk endings

Oh, quel fascinating addition to your linguistic style, charl! Get ready for a whimsical dance of words that might just lance your companions' patience with playful annoyance! DB, charl, isn't this going to be absolutely quel-ightful?

(+100) Love struck with the wrong person !!

Oh, it's, like, seriously heart-wrenching! Every single week, my heart just dances to this, um, forbidden rhythm. And, you know, the person youI adore is either, like, charl-locked away or already swooning in the arms of another. It's kinda like this never-ending ballad of love's tricky game, just playing its haunting melody over and over. The feels, the pining, it's like this, um, never-ending cycle of romantic woes – such is the tale of my weekly love quest.

(+200) Mana Har*coughcough**cough* friend group**

Oh, I dilemma! Mana, the irresistible friend maker, has her sights set on bringing me into her enchanting friend group. But, uh-oh, there's a catch. If you join, the bittersweet taste of jealousy will linger in my heart whenever Mana forms close bonds with other female friends. It's like, this charming invitation to friendship comes with its own set of heart-twinges. Oh dear, navigating the delicate dance of camaraderie and envy in Mana's friend circle might be both a delightful and challenging journey.

(+200)Yay product placement!!

Oh, a whimsical arrangement! Yay, we've signed this contract that, um, compels us to conjure up increasingly gimmicky toys and seamlessly weave them into the fabric of children's everyday lives. But, uh-oh, here's the twist – if we fail to introduce a new toy every five to six weeks, the jump ends. Even if it means sacrificing friendships, product placement becomes our numero uno priority. Hope you're ready for the enchanting dance of broken promises and maybe a few, um, tearful moments.

(+300) Who are you!?

Oh, what a twist in the tale! You're all set to expect someone familiar to join your team or take up some position, but, uh-oh, each time a total stranger swoops in to take up the mantle. It's like this annoying cycle that leaves you with a slightly irksome feeling. The anticipation of a friendly face, only to be met by an unknown presence – the plot thickens with a dash of irritation.

(+300)Bad Timing

Oh, like, seriously, every time a monster attacks or something bad happens, you just have to be there, ready to swoop in and save the day for the cute civilians! But, uh, here's the thing – it totally messes up whatever you were w doing before, and whoever you were with gets a little upset for being blown off. It's kinda like this sprinkle of Parker Luck Lite, where being a hero takes over, and, you know, balancing personal life and superhero duties gets, like, super tricky

(+300) They have some plot armor gimmick.

For some reason, the enemies your allies face are unusually lucky when it comes to escaping, only to return even stronger and smarter. It's like this perpetual game of cat and mouse, and every time they bounce back, they bring along that first-time cool power-up status. Brace for impact, and may luck be on our side as we navigate this challenging cycle of relentless adversaries.

(+400)Sealed away

Oh no, like, major bumner alert! you're totally stuck in one place, thanks to the Precure or those tricky Jikochū, and all my perks and cool stuff from outside this jump are sealed away. But, um, here's hoping your companions and followers can, you know, lend a hand and help me break free from this not-so-fun situation. Teamwork and friendship.

Ten Years Later:

Go Home: What, you finished? Here? Well, we won't ask. Whatever it is you gained here, we hope you enjoy it. You return home with all that you have accrued over your chain, and time resumes in all the worlds you visited.

Stay Here: This world does have a certain... allure, hmm? Don't worry, we won't judge. Add 1000CP as a bonus

Move On: Ah, but of course. The journey never ends, does it? Go forth and have fun. Make some new friends.

Notes

1. Sorry for the long update here I am trying to experiment with some idea that a literal anime girl writing this Jumpchain.
