

v1.0

by Negative-Tangerine

Welcome to a world of powerful "Wizards". wicked witches, heartless scarecrows, brainless tin men, cowardly lions, and girls with fancy footwear.

What are you?

**Somewhere, over the rainbow, way up high
There's a land that I heard of once in a lullaby
Somewhere, over the rainbow, skies are blue
And the dreams that you dare to dream
Really do come true
Someday I'll wish upon a star
And wake up where the clouds are far behind me
Where troubles melt like lemon drops
Away above the chimney tops
That's where you'll find me**

Take **1000 Choice Points** to help you acclimate to your new world.

Starting Location

Roll a 1d6, or pay 50 CP to choose.

1. The Farm
2. Munchkinland
3. The Yellow Brick Road
4. Wicked Witches Castle
5. Outside the Emerald City
6. Free Choice

Age and Gender

Ages are 10+1d6 for Drop-In or 24+2d8 and gender is whatever you were previously. It is 50cp to choose your own age or gender.

Origins

Any origin can be a Drop In.

Drop-In [0 CP]: Did you drop in from a tornado like a certain young girl? Either way, you have no history or memory of the land of Oz and are free of any ties or obligations.

Oz inhabitant [0 CP]: You are one of many inhabitants of the land of Oz, you have a history and memories of growing up or awakening fully formed depending on your species or race.

Wizard [100 CP]: While you may not have magic of your own, you do have the know-how to fake it or if you have it to even incorporate it into your own technology.

Witch [300 CP]: You are one of the many female magic users located in Oz, whether you are related to any of the other witches is up to you.

Perks

Origins get their 100cp perks for free and the rest are discounted to 50%.

Drop-In

Maidens Beauty and Angels Voice [100 CP]: You have the beauty of a hollywood star, and a voice that would make an angel weep as you now have perfect pitch, and singing ability.

Friendly Face and Welcoming Smile [200 CP]: You have a way about you that puts others at ease and helps you make friends easily. **This imbues you with an aura of friendliness and trustworthiness. This is toggleable.**

Unflappable Demeanor [400 CP]: No matter the situation that you end up in you are not phased, hurried, or scared. **You are now immune to shocks, jumpscares, and can maintain your cool and ability to think in unexpected situations like sudden dimensional transportation and murder.**

Crush her with a house! [600 CP]: You have a near miraculous tendency to literally fall onto objects, powers, and people of plot relevance. Much like Dorothy falling on an evil witch with her house and gaining shiny new slippers, you can now stumble upon powerful objects, events, and people that will draw you into the plot of whatever world you are in and have a tendency to grant you new powers and abilities.

Oz inhabitant

I have a Heart [100 CP]: You have the ability to empathise with others and are excellent at reading social cues and body language.

I have Brains [200 CP]: You have a perfect eidetic memory, recall, and the ability to learn mentally train twice as quickly as normal.

I have Nerve [400 CP]: You now no longer suffer from any PTSD, mental trauma, or illness, and can push through any form of fear whether existential dread, or the effects of mundane sources like fear gas.

Power of Three [600 CP]: You have the strength of a lion, the durability of a man of metal, and the speed and flexibility of a man made of straw. **This is a flat doubling your total strength, durability, speed, and flexibility.**

Wizard

Smooth Talker [100 CP]: You can talk almost anyone into believing anything, you find that the more outrageous the lie the more people want to believe it. **This is an enhancement to your ability to fast talk your way out of situations and lie convincingly.**

Concisely Explained [200 CP]: People who come to you for advice will find that you can explain difficult to understand problems and convey information in a way that even a brainless scarecrow can understand. **This helps you to convey information in a concise and understandable way. No matter your audience and the complexity of the topic. They may not understand everything but they will get enough.**

Skill and Discipline Combining [400 CP]: Much like how the wizard combines shyster street performing skills, fast talking , and technological knowhow to mimic magical abilities, you have talent in combining various disciplines and abilities together to accomplish more. You have an easier time integrating seemingly disparate skills and talents to create new effects and abilities. **Combine your skills in magic, hockey, and martial arts to create a mystical combat style based on hockey sticks / polearms and magically created skates.**

Technomagic [600 CP]: While you may not have any inherent magic of your own, you do have the knowhow to create technological devices that harness and control it for magical effects, and if you do somehow have magic of your own this will help you merge and utilize it with technology you are familiar with.

Witch

Witches Cackle [100 CP]: You now have the ability to let loose with a proper witches cackle, threatening chuckle, or menacing laugh. Let your amusement disturb all who go against you.

Silent Menace [200 CP]: You can exude an aura of fear and/or menace at will, the effect is enhanced by your actual and perceived power. At its weakest you will unsettle and set those you target with this aura to begin doubting themselves, this effect is not all powerful and can be resisted with will or mental strength. **This is toggleable.**

Taming and Training [400 CP]: You have almost supernatural skill in capturing, subduing, and training wild animals and sub-human species. You could train a monkey in martial combat with little issue. Animals and beasts you train seem to almost get smarter the more they are trained by you, who knows how far they can go under your leadership. **This boosts your ability to capture and train animals, beasts, and sub-humans. The more you train and command them the more their intelligence will slowly and permanently grow.**

Magic of Oz [600 CP]: You have the ability to harness and manipulate the magic around you to perform magic similar to the witches and other magic users in the land of Oz.

You start out with the basics of four abilities and can learn or create more with practice. With time and effort you can strengthen your own magic and amount you can wield at one time.

You start with the following two abilities:

Spell casting: The power to affect changes with magical incantations and rituals.

Flight: The power to fly, this ability can be enhanced through the use of aids like a broom.

Choose two more abilities to start with from the following list:

Telekinesis: The ability to move things and people with the power of the mind.

Potion making: The power to create potions that have magical effects.

Scrying / Telescopic Vision: The ability to psionically see anything in an entire region the size of Oz, this ability is enhanced with the use of aids like a crystal ball.

Elemental Kinesis: Magically create and control a classical element. Choose from one of the following: electrokinesis, pyrokinesis, hydrokinesis, aerokinesis, and geokinesis.

Items

Items may be imported into similar - items, weapons to weapons, clothes to clothes, etc. Any item alterations and upgrades made will be maintained between jumps and are fiat-backed. Origins get their 100cp item for free and the rest are discounted to 50%. Building complexes will be placed near your starting location in-jump for your stay and will be attached to your warehouse after this jump is complete, they can then be imported into future jumps as desired.

Drop-In

“Little” Dog [100 CP]: You now have a single dog of your choice in breed as a pet, it has enough intelligence to follow complex orders and instructions. This is counted as a pet or familiar. **If you pay an undiscounted 100 CP then your dog is upgraded to full sapience, with human level intellect and the capacity for speech.**

Unlimited Picnic Basket [200 CP]: You have a classic wicker picnic basket, when you reach in while visualizing a food type that can fit through its opening you can pull out any mundane, non-magical food or drink desired without limit. It will come out either fully wrapped, bagged, or boxed, you can also pull out unlimited amounts of plates, cups, utensils, knapkins, and picnic blankets as desired, and any garbage can be placed back into the basket to be vanished and disposed of.

Farm and Farm House [400 CP]: You are the proud owner of a small farmhouse and a single plot of land that will grow anything that is planted on it as if it had the perfect climate and soil conditions needed to grow, any other lands attached or imported into this farmland also receives these growth enhancements. **You can import any property to gain a little cozy farmhouse and plot of growing land.**

Ruby Slippers [600 CP]: These magical slippers confer the ability to travel anywhere the wearer can envision, even across dimensions with just a triple tap of the heels. When worn they can not be removed against the wearer's will. These slippers are indestructible and the most comfortable footwear it is possible to wear, making every step feel like the wearer is walking on clouds. **These can be made from any type of crystal and not just Ruby. You can Import any footwear to gain a crystalline makeover and take on all the effects of these slippers.**

Oz inhabitant

Wood Cutters Axe [100 CP]: This is a plain but sturdy double headed wood cutters axe. This is unbreakable and eternally sharp.

Oddly Intelligent Corvid [200 CP]: This crow or raven has taken a shine to you and has adopted you as its pet. This bird is intelligent and while not able to talk it can understand and follow complex instructions. This is counted as a pet or familiar. **If you pay an undiscounted 100 CP then your corvid is upgraded to full sapience, with human level intellect and the capacity for speech.**

Unlimited Oil Can [400 CP]: This oil can will dispense an endless amount of whatever the last liquid that was poured into it.

Yellow Brick Road [600 CP]: You now have your own summonable shiny yellow gold brick that does two things. The first is that if touched to a property you own it will change every road on it to be paved with solid gold bricks, these bricks come in two varieties of either natural gold bricks or a magically hardened variety, The second purpose of this brick is that whenever you need to get somewhere and you don't quite know how to get there then this will allow you to summon and dismiss a yellow brick road of your own in the form of an illusionary golden guide path that only you and those you let see it can perceive.

Wizard

Dapper Suit and Top Hat [100 CP]: You have a very dapper suit of your own design along with a Top Hat that will never fall off or look anything less than pristine. These clothes will mend any damage over time until they are back in pristine condition. After all, you must always look your best when others come to meet the wizard. **You can impute another suit of clothes or armor to gain the mending effect and a hat or helmet to gain the permanent pristine and immovable effect.**

Munchkin [200 CP]: This munchkin is interested in striking out from Munchkinland and either the Lullaby League or Lollipop Guild and will gladly travel with you. **You can broadly dictate the look and personality of this follower. If you are a Drop-In then you meet this munchkin not long after you land in Oz, if you are any other origin then you already know this munchkin from your background.**

Unlimited Fog Machine [200 CP]: This palm-sized miniature cube is a fog machine that can be hidden behind or under a throne or seat if desired and not be noticeable. It can output enough fog to fill up an entire throne room while dispersing harmlessly after a few seconds, the fog can be set to be dispensed in any color desired. **When used in combination with technology or magic this fog can aid and enhance the distance and resolution of long distance communication or audio / video displays.**

Emerald City (600): You have an entire city of your own design that contains at its heart a massive throne room dominated by a smokey projector system similar to that which the Wizard uses. **City does not need to be made of actual emerald but it can, it also can be made of another gem, maybe you have the Ruby City. The city will be made of magically strengthened crystal if you choose to go with an actual crystal based city, so you don't have to worry about it shattering and killing its inhabitants. The strengthening only makes it as strong as normal stone construction.**

Witch

Witches Hat [100 CP]: You now have an iconic wide brimmed witches hat and robes. The hat and robe will protect the wearer from falling, splashed, or thrown water and liquid. You can import another piece of headwear, and clothes to gain the liquid protection.

Flying Monkey [200 CP]: You now have a single Flying Monkey as a pet, it has enough intelligence to follow complex orders and instructions, as a monkey it is capable of wearin, holding, and using armor and weapons, as well as performing complex tasks that require hands. This is counted as a pet or familiar. **If you pay an undiscounted 100 CP then your Flying Monkey is upgraded to full sapience, with human level intellect and the capacity for speech.**

Witches Broom [400 CP]: You now have an iconic flying witches broom, by sitting on it and mentally demanding it to fly you can move at speeds twice as fast as you can run. **You can import another household item or seating furniture into the boom to gain the flight ability.**

Witches Castle / Tower [600 CP]: You have a multi story castle or tower that you can plot and scheme from. This edifice to your power has eight above ground levels and two underground levels, each with the floor space of your average modern home, though the levels can be reduced in number to expand each level's size as you wish upon purchase. The entire building will enhance any magic performed within it and can incorporate any magic cast upon it without issue as you are its master and it will aid in your efforts to enhance it. **Any property can be imported to get the magical enhancement and receptivity.**

Here are some examples of the levels that it can come fully furnished with:

- 1) Master bedroom and study.
- 2) Alchemy and ritual level designed for magic experimentation with protection against damage.
- 3) Kitchen and servants level where any servant may stay and work.
- 4) Minion quarters and staging, from which to direct and release your minions.
- 5) Throne room and receiving area.
- 6) Below ground storage.
- 7) Below ground dungeon.
- 8) It is up to you to fan-wank your property within reason, only mundane furnishing beyond the existing magical enhancement.

Companions

Companion Import [50 CP / 200 CP]: Import a single companion into any origin and race for 50cp each or eight for 200cp. Each gains 600 CP to spend.

Canon Companion [100 CP]: So you want to take any other existing character from this world. Well then this option is for you. **This will guarantee a good first meeting and a decent first impression.**

Drawbacks
