

Out of Context: Spirit Weapon Supplement

V1.1 By DeverosSphere

This document can be used as a supplement in any Jump that would not otherwise have soul bound tools within its continuity.

By taking this Supplement you have chosen to have a Spirit Weapon and you will enter into that continuity as a Drop-In awakening in a summoning circle in front of a procession of people excited to see their hero.

As a summoned hero and are visibly similar to a Human, unless you choose not to be.

+1000 CP

If this Supplement is instead taken as an Isolated Jump you may select a setting of your choice even if it doesn't have a Jump Document and use this document as a ten year long Jump.

Origin:

The manifestation of a person's soul could take many different forms and even if two people picked the same weapon type the two would be as different as those that picked them.

Spirit Blade

Sharp and direct your spirit takes the form of some kind of blade be it a Sword, an Axe or even a Glaive. This gives your spirit a boost to its damage.

Spirit Attire

Your manifestation of your spirit is the form of attire, something worn perhaps clothing, Armor or a shield. This gives your spirit a boost to its durability.

Spirit Projectile

A vessel for attack instead of the weapon itself your spirit is the form of a ranged weapon such as a bow, a gun or even a wand. This gives your spirit a boost to its speed.

Your **Spirit Energy** will naturally recover over time with the amount and speed of recovery increasing the more you use it.

Spirit Weapon - Free

This weapon and its accessories are not truly objects but instead an aspect of your soul making them a perk instead of an item. The appearance of your **Spirit Weapon** will be dynamic to you and will also come with an accessory that can change between a **Spirit Container** which is an appropriate storage type for your **Spirit Weapon's** current form, such as a Quiver, Sheath, a Suitcase and a **Spirit Token** which is a miscellaneous item such as a marble, a feather or a twig which is used to hide your Spirit Weapon and its container.
