Introduction:

Jumper, you have been traveling beyond the multiverse, indulging in the dark desires that have plagued your soul for eternity. These desires were once bottled up due to the constraints of real-world society, where you had to function as a normal member. But not anymore. On this journey, you are free to do as you please across the many worlds you visit.

Your actions have drawn the attention of the dark prince, Slaanesh. The depravity you seek has piqued her interest, and she has bestowed upon you one of the most depraved armies within the Chaos forces, naming you her champion. Slaanesh expects only one thing from you: to consume pleasure beyond what any mortal man can hope to experience.

However, Slaanesh has added a little hindrance as payment for receiving this gift. On the first world you visit with this army, you must choose one depraved activity to indulge in daily to keep your mistress happy. This could be sex, drugs, alcohol, or any other activity that provides great satisfaction in excess. Don't worry; this crippling addiction will only last on the first world you visit with this army.

This supplement can be used in any jump of your choosing. Take this 100 Favor and build your army as you see fit.

Slaanesh Blessing:

Before we start building your army here are a few Blessings that Slaanesh has bestowed upon you and possible Generals and Heroes in your army.

Mark Of Slaanesh [Free]:

On your body, the Mark of Slaanesh is a striking and disturbing emblem, a symbol of allegiance to the Dark Prince of Excess. The mark exudes an unsettling beauty, often surrounded by intricate patterns and designs that echo themes of indulgence, seduction, and excess. These designs shift and move subtly, creating an almost hypnotic effect. The Mark of Slaanesh bestows enhanced physical capabilities, particularly in terms of speed, agility, and reflexes. The bearer moves with a fluid grace, able to react swiftly and precisely in combat or other activities.

Exalted Of Slaanesh [1 Favor]:

The Dark Prince has decided to grant you his full blessing, bestowing upon you the excess of exalted stature. Your reflexes have been heightened to superhuman levels of speed and accuracy, enabling you to strike before your enemies even notice. Each movement is a blur, each attack lands with devastating precision. Additionally, if you possess the Lore of Slaanesh, your spellcasting abilities within that lore are magnified. You can wield its chaotic powers with greater proficiency and potency, casting spells that enthrall, corrupt, and devastate with unmatched skill. The dark energies of Slaanesh flow through you effortlessly, making you a formidable force on the battlefield and a true champion of the Dark Prince of Excess.

Lore of Slaanesh [1 Favor]:

The Lore of Slaanesh is a collection of spells and magical abilities drawn from the dark powers of Slaanesh, the Chaos God of Excess and Pleasure. These spells are designed to manipulate the senses, emotions, and minds of others, inflicting both overwhelming pleasure and excruciating pain. Practitioners can enthrall enemies, incite uncontrollable desires, and summon the seductive yet deadly energies of the Warp to corrupt and dominate their foes. With the Lore of Slaanesh, spellcasters wield the ability to both beguile and destroy, embodying the essence of their dark patron.

Chaos Plate of Slaanesh [Free]:

Adorned with the insignias of Slaanesh, the Chaos Plate armor stands as a profound testament to the wearer's unwavering dedication to the excess of life. Bestowed as a divine boon from the she who thirst , each ensemble is a blasphemous masterpiece, intricately adorned with carvings devoted to Slaanesh's chaotic essence. These infernal armaments transcend mortal craftsmanship. Clad in Chaos Plate, warriors are often hailed as indestructible, for common weapons splinter against its impenetrable surface, and arrows are deflected harmlessly. Remarkably, the armor seamlessly melds with the wearer, offering unmatched flexibility and ease in combat, conforming effortlessly to their physique, regardless of any mutations they may bear. Furthermore, Chaos Plate boasts the extraordinary capability to self-mend over time, ensuring its endurance even during the most grueling of campaigns. Whether preserved in its original state or modified to emit an even more chaotic energy, Chaos Plate endows its wearer with unparalleled defense and fortitude, serving as a harbinger of destruction to all who dare to challenge the chaotic forces of Slaanesh.

Whip Of Slaanesh[Free]:

This whip is no ordinary weapon; it is a special gift bestowed upon the chosen champion of Slaanesh. Bathed in the chaotic energies of the realm of Slaanesh, it gleams with exquisite beauty, adorned with countless jewels and ornate decorations that make it a sight to behold on the battlefield. But the true power of this whip lies in its versatility. With a mere thought, the wielder can determine how each strike will affect their target. They can choose to inflict maximum physical damage, shattering limbs and rending flesh with each lash. Alternatively, they can eschew physical harm and instead maximize the sensations of pain or pleasure, plunging their victims into ecstatic or agonizing states beyond imagination. And if that weren't enough, the whip holds yet another ability within its seductive coils. With a flick of the wrist, the wielder can send their foes into a blissful dreamland where their deepest desires are brought to life. Within this dream, they are at the mercy of the wielder, who holds the power to awaken them from their reverie or prolong their indulgence as they see fit.

Possible mount upgrades can only choose one :

Horse Of Slaanesh [1 Favor]:

These shadowy steeds are the favored mounts of the savage Chaos Knights dedicated to Slaanesh. Among the steeds granted to followers of the Chaos Gods, these creatures stand out for their exceptional speed and agility, surpassing even those aligned with other deities.

Exalted Steed Of Slaanesh [2 Favor]:

These serpentine daemons are formidable creatures, their sinuous bodies propelled by two long, muscular legs that grant them unmatched speed, outpacing any pursuer for eternity. Their delicate, bird-like feet are adorned with razor-sharp claws, capable of delivering vicious kicks to fend off attackers. The ever-changing hues of their hide mesmerize and enchant, shifting between soft blues, pastel purples, and gentle ochres in a hypnotic dance.

The Seeker Chariots [3 Favor]:

The Seeker Chariots, the swiftest and most agile of the chariots utilized by the Daemons of Slaanesh, are propelled by the fleet-footed Steeds of Slaanesh. They dart through the ranks of chanting, sashaying Hedonites, aiming to crash into the enemy lines. Upon these chariots, Daemonettes stand poised, dancing from yoke to spar, their laughter echoing as each strike paints the air with a crimson trail.

Hellflayers [4 Favor]:

The Dark Prince of Chaos revels in the opulent beauty of his decadent realm. Yet, the perpetual warfare and chaos that define the Realm of Chaos hinder Slaanesh's pursuit of perfection, as battle-slain corpses litter the landscape like the petals of a grotesque flower. To address this, the Hellflayers ride across the alabaster plains, their reaping blades slicing through the fallen flesh into smaller, more manageable pieces. These fragments are then devoured by Slaanesh's otherworldly flora, ensuring that nothing is wasted and that the beauty of the realm remains unsullied by the ravages of war.

Exalted Seeker Chariot [5 Favor]:

The Exalted Seeker Chariots are anything but subtle creations. As the steeds strain against the yoke, propelling the chariot to full speed, swirling shapes carve through the air with unholy hues, while the metal axles screech in a discordant symphony reminiscent of tormented souls. To face such a contraption is not merely a clash of arms, but a battle of wills that threatens to shatter the very boundaries of sanity.

Army List:

Before we proceed with recruitment, you will receive one Hero at base points for free. It's worth noting that units with higher favor values and fewer numbers are generally more powerful.

Each unit in the list has the potential to be upgraded based on the provided list of possible upgrades, and equipment which will be detailed in the Gifts of Slaanesh section of this supplement. And they must decide when to buy the unit. They can't be upgraded later.

Generals:

These units represent the elite of the Dark Princess army, blessed by himself. As great champions of Slaanesh, they stand by your side, ensuring order and cohesion within your forces. The presence of these mighty champions reduces the need for micromanagement, allowing you to focus on leading your army to victory.

Chaos Lord Of Slaanesh [3 Favor]:

The Lords of Slaanesh stand as some of the most perilous of all His mortal devotees, wielding both brutal martial prowess and charismatic influence with alarming effectiveness. They have proven themselves not only as fearsome warriors, but also as fervent ambassadors of the Dark Prince's cause. Spreading Slaanesh's corruption amongst the naive and unsuspecting, they promote such extreme heresy and deviance that it defies the very laws of nature.

At times, the Heralds deliver Slaanesh's divine decrees to specific followers singled out for his attention. However, not all such visitations are welcomed, for Slaanesh is known for his capricious temperaments.

Their bodies are a blend of graceful elegance and hideous strength, with powerfully muscled forms adorned with four slender and delicate arms. Two of these arms culminate in elegant, curved pincers, while the others resemble human hands tipped with razor-sharp claws. These claws are often adorned with brightly colored lacquers and wield weapons of exquisite design. Additionally, they bedeck themselves with jewels that contain the souls of their favorite victims. Each Keeper of Secrets possesses a distinct personality, fueled by burning desires and ambitions. Some seek to eradicate entire species, while others aim to topple empires or reduce metropolises to rubble.

Their presence within your army bestows buffs that amplify the destructive potential of your forces, ensuring greater carnage and devastation upon your enemies. But their buffs are optimal on leading six units.

Alluresses [2 Favor]:

The Alluresses move swiftly across the battlefield, their lithe legs carrying them with effortless grace. The vivid patterns of their gaudy tattoos swirl and dance, forming mesmerizing fractals of color and shape that captivate the eye. They lead the Daemonettes into battle increasing their speeds even further.

The Infernal Enraptureesses are masters of music, weaving harmonies and cacophonies that shatter the mind. Acting as the vanguard of Slaaneshi armies, they employ their beguiling charms and glammers to infiltrate the cities of their enemies. Veiled by daemoniac illusion, the Enraptureesses present themselves as muses to artists amidst the horrors of war. By feeding the artist's passions, they allow their craft to flourish, bringing forth greatness that had long lain dormant. Initially, the Herald appears to the artists in their dreams, stripping away inhibitions and amplifying the ambition and obsession buried within their souls. They implant visions of the perfect piece of music, often one that will end wars or unite empires. Those visited by the Enraptureess enter a state of bliss, many succumbing to starvation as they forsake food and drink to toil over their masterpiece. They lead the Daemonettes into battle increasing their seductive nature even further.

Contorted Epitome [4 Favor]:

A Contorted Epitome is not a singular Daemonette but a pair of attendants chosen for their ability to exist within the presence of another Daemonette. This close bond is solidified by the sacred guardianship of an ornate Mirror known as the Mirror of Absorption, a priceless magical artifact entrusted to them from Slaanesh's palace. However, this mirror is no ordinary object; it is both a daemonic being and an artifact in itself. The mirror writhes on striated tentacles that move at the Daemonettes' command. This unit increased the effectiveness of daemons units on the battlefield.

Possible Upgrades

Equipment

- *Lore of Slaanesh*

Shardspeaker of Slaanesh [2 Favor]:

Shardspeakers play a role akin to soothsayers within the cultist circle and leading them, wielding their hypnotic gaze to peer into the souls of Slaanesh's followers and unveil hidden lusts. In combat, they harness their magics of pleasure and pain to devastating effect against their foes. Armed with a Haze Staff and shadow-cloaked claws, Shardspeakers are formidable sorcerers. Through their dark invocations, they can manipulate a man's nervous tissue as easily as unraveling thread, or compel their enemies to offer up their own organs to Slaanesh in a gory display. Accompanied by scented mist-daemons, these sorcerers can command these ethereal entities with a delicate gesture, using them to shield themselves from harm or suffocate foes who dare to draw too close.

Lord Of Pain [3 Favor]:

Lords of Pain are elite commanders who focus on the vice of enduring and inflicting agony on a massive scale. Strutting at the forefront of Hedonite armies, they are revered as paragons of Slaanesh's dark faith. Often hailing from the dark martial orders dedicated to Slaanesh, particularly leading Myrmidesh blade warriors, these individuals become fixated on pain. They train themselves to the peak of mortal capability, mastering the art of slaying adversaries by accumulating and amplifying agony with each tormenting blow. Lords of Pain are committed sadists, their entire existence revolving around the infliction of crippling pain.

Chaos Lord Of Slaanesh [3 Favor]:

Lords of Hubris are master duelists and flamboyant swashbucklers who ensure they are always the center of attention. In combat, these arrogant heroes relentlessly taunt their foes, strutting into battle with a swagger that dares anyone skilled enough to challenge them in single combat. They flamboyantly seek out the finest among their enemies, goading them into duels. So confident are they in their abilities that they often allow their opponents to strike the first blow, fully certain they can deflect it with ease. Their audacious display of skill and bravado serves to both humiliate their adversaries and elevate their own status as unmatched warriors.

- *Horse Of Slaanesh*
- *Exalted Steed Of Slaanesh*
- *Lore of Slaanesh*

Equipment

- *Chaos Plate of Slaanesh*
- *1 Chaos Great Weapons or 1 chaos weapon and shield*

Infantry:

600 Blissbarb Archer [1 Favor]:

Blissbarb archers are the lowest of Slaanesh's mortal devotees, and as such, their domineering champions do not yet permit them to engage in the glory of hand-to-hand combat. Instead, they bring pain and destruction to the enemy from afar, becoming nimble and deadly archers. Blissbarb retinues are often accompanied by shuffling figures known as Homonculi—creatures that gather wherever the Carnivals go. These Homonculi are responsible for creating the incredibly potent Blissbrew toxin used by the archers, harvesting the remains of enemies and sacrificed captives to produce this deadly substance.

Possible Upgrades

- *Exalted Of Slaanesh*

Equipment

- *Chaos Armour*
- *Treasured Bows.*
- *1 chaos weapon*

300 Daemonette [2 Favor]:

Daemonettes, known by other names like Bringers of Joyous Degradation and Maidens of Excess, are the lesser and most numerous daemonic servants of the Chaos God Slaanesh. They embody the dark and twisted emotions of mortals and are irresistibly drawn to sources of anguish. These malevolent beings take immense delight in creating disasters, rejoicing in the carnage and suffering that ensue. As the embodiments of Slaanesh's seductive and destructive nature, Daemonettes revel in the chaos they sow. They thrive on the pain and despair of their victims, finding ecstasy in every moment of agony they cause. Whether in the heat of battle or amidst the ruins of their making, Daemonettes celebrate the perverse pleasure of destruction, perfectly reflecting the dark desires of their malevolent master.

Possible Upgrades

- *Exalted Of Slaanesh*

Equipment

- *Claws*

150 Slaangor Fiendblood [2 Favor]:

Slaangor Fiendbloods are fierce warriors of Slaanesh. Completely consumed by their most primal urges, they serve as shock troops, recklessly charging into enemy lines with no regard for their own survival. Their ferocity and relentless aggression make them invaluable to the Sybarite carnivals, where they are held in high esteem. These brutal fighters epitomize the chaotic and hedonistic nature of Slaanesh's followers. Their reckless abandon and sheer force disrupt and devastate enemy formations, creating opportunities for the more strategic elements of the Sybarite armies to exploit. Despite their wild nature, the Slaangor Fiendbloods are deeply loyal to their dark master, embodying the savagery and excess that define the legions of Slaanesh.

Possible Upgrades

- *Exalted Of Slaanesh*

Equipment

- *Claws and Horns*

60 Symbaresh Twinsoul [3 Favor]:

Symbaresh Twinsouls are warriors, often former Myrmidesh, within the Slaanesh Sybarites who sought to rise above their faceless peers by embracing possession by a daemon of Slaanesh. This transformation is achieved through ritualistic marking of their bodies with runes of conjugation and the sacrifice of six aelven souls. While this arrangement grants the Twinsouls phenomenal speed and strength, it comes at a steep cost. Over time, they exhibit a curious lack of self-awareness, speaking in the third person or remaining oblivious to even the most grievous wounds. These cracks in their psyche provide the daemon with opportunities to wrest control from the host.

Possible Upgrades

- *Exalted Of Slaanesh*

Equipment

- *Chaos Plate of Slaanesh*
- *1 Chaos Great Weapons or 1 chaos weapon and shield*

60 Myrmidesh Painbringer [3 Favor]:

Myrmidesh Painbringers are members of an elite Slaaneshi warrior cult within the Slaanesh Sybarites. Each Painbringer considers themselves a paragon of battle, taking immense pride in delivering death in the most painful yet aesthetically pleasing manner. These warriors embody the martial pride of the Dark Prince, finding pleasure exclusively in the thrust and parry of combat. Unlike many of their fellow Sybarites, who indulge in various forms of depravity and excess, Myrmidesh Painbringers maintain a stoic and impassive demeanor. They view themselves as superior to most other members of their carnival, priding themselves on their discipline and their exquisite skill in inflicting precise and agonizing pain on their foes. Through their dedication to the art of combat, they reflect the twisted ideals of beauty and perfection that define the worship of Slaanesh.

Possible Upgrades

- *Exalted Of Slaanesh*

Equipment

- *Chaos Plate of Slaanesh*
- *1 Chaos Great Weapons or 1 chaos weapon and shield*

30 Chosen of Slaanesh [4 Favor]:

Those marked with the physical manifestations of the princes of Excess distinguish themselves from their peers through heinous acts. However, many lack the mental resilience to bear the burdens of being chosen by Slaanesh . Only the strongest among them avoid succumbing to mindless, babbling Chaos Spawn, instead ascending beyond their mortal constraints and gradually assuming a more formidable form. Regardless of the unique gifts bestowed upon them, these formidable warriors invariably carry a fraction of Slaanesh' supreme agility and speed. This compels them relentlessly to innovate new techniques or enact changes that are inexorable.

Possible Upgrades

- *Exalted Of Slaanesh*

Equipment

- *Chaos Plate of Slaanesh*
- *1 Chaos Great Weapons or 1 chaos weapon and shield*

Cavalry:

300 Hellstrider [3 Favor]:

Hellstriders of Slaanesh are muscular warriors of the Hedonites, riding upon the backs of impossibly swift, daemonic Steeds of Slaanesh, whose attacks include deadly strikes with their poisoned tongues. These warriors are devoted to torment, dedicating their lives to inflicting pain and despair in exchange for physical power. Hellstriders aim their blows to prolong the agonizing moments of death for their victims, savoring each second of suffering they cause. When they finally slay their foes, they are rewarded by Slaanesh with a burst of intoxicating energy, further fueling their relentless pursuit of pain and excess.

Possible Upgrades

- *Exalted Of Slaanesh*

Equipment

- *Chaos armor*
- *1 Chaos Great Weapons or 1 chaos weapon and shield or 2 chaos weapons*

150 Blissbarb Seeker [3 Favor]:

Blissbarb Seekers are Blissbarb Archers who, having grown weary of engaging their enemies from a distance, have sought to acquire an Exalted Steed of Slaanesh. In their pursuit of greater glory and closer combat, they name themselves after their daemonic counterparts, a display of both pride and hubris. Riding these swift and deadly steeds, Blissbarb Seekers retain their archery skills but now combine them with the mobility and ferocity of their mounts. Their Exalted Steeds not only grant them exceptional speed and maneuverability but also add a new dimension to their combat capabilities, allowing them to strike swiftly and unexpectedly.

Possible Upgrades

- *Exalted Of Slaanesh*

Equipment

- *Chaos Armour*
- *Treasured Bows.*
- *1 chaos weapon*

100 Seeker of Slaanesh [4 Favor]:

Seekers of Slaanesh are the epitome of grace and speed, embodying the insatiable hunger for pleasure and excess that defines the followers of the Dark Prince. These Daemonettes have not only captured but also tamed the elusive Steeds of Slaanesh, forming a formidable force that serves as the vanguard of the Dark Prince's armies. Swift beyond belief, Seekers glide across the battlefield with sinuous bodies undulating in a hypnotic rhythm, their movements a mesmerizing dance of death. They lead the charge, their elongated horns sounding a haunting melody that spurs their pack onwards and strikes terror into the hearts of any who dare to flee.

Possible Upgrades

- *Exalted Of Slaanesh*

Equipment

- *Claws*

60 Pleasure Knights of Slaanesh [4 Favor]:

The Knights of Change are formidable and fearsome warriors, forsaking their homelands in exchange for the ambiguous blessings of Slaanesh. Among their ranks are individuals of significant importance and worldly power in their previous lives, ranging from statesmen and nobles to renowned Templars and military figures. Mounted atop their majestic Chaos Steeds, they brandish extravagant weapons in a macabre imitation of the illustrious Knightly Orders many of them once served.

Possible Upgrades

- *Exalted Of Slaanesh*

Equipment

- *Chaos Plate of Slaanesh*
- *1 Chaos Great Weapons or 1 chaos weapon and shield or 2 chaos weapons*

60 Slickblade Seeker [4 Favor]:

Slickblade Seekers are the chosen mortal knights of the Slaanesh Sybarites, having evolved beyond the satisfaction of killing from afar as they did when they were Blissbarb Archers or Blissbarb Seekers. Now, they crave the visceral experience of hearing the screams of the dying up close and feeling the spatter of hot gore upon themselves and their Exalted Steeds. Immense pride defines the Slickblade Seekers, as they consider themselves the princes of the battlefield, always striving to outdo any who would challenge their status. Inspired by the Myrmidesh, they have perfected the art of the high-velocity cut. By observing Lumineth cavaliers, they have learned techniques to cleave through multiple foes on foot without breaking stride. In their desire to shame the brutish warriors of Khorne, they relish decapitating foes with a single, precise blow.

Possible Upgrades

- *Exalted Of Slaanesh*

Equipment

- *Chaos Plate of Slaanesh*
- *1 Chaos Great Weapons or 1 chaos weapon and shield or 2 chaos weapons*

6 Seeker Chariot of Slaanesh [5 Favor]:

Seeker Chariots are far from subtle. As their straining steeds urge the chariots to full speed, swirling shapes sear the air with unholy hues, and the metal axles screech in a disharmony akin to the wailing of tormented souls. To stand against such a machine is not merely a contest of arms, but a struggle of wills that shakes the very boundaries of sanity. When the chariot finally crashes home, the Daemonettes aboard dance from yoke to spar, laughing maniacally as their disembowelling strikes weave bloody trails in the air. The sheer momentum and ferocity of the Seeker Chariots create a terrifying spectacle on the battlefield.

Equipment

- *Claws and Tongue*
- *2 Chaos weapons*

6 Hellflayers[5 Favor]:

The Dark Prince of Chaos takes great pride in the splendor of his decadent realm. However, the constant warfare and anarchy that define the Realm of Chaos have hindered Slaanesh's pursuit of perfection. The land is littered with the corpses of those slain in battle, like the petals of a particularly repulsive plant. To address this issue, the Hellflayers ride across the alabaster plains, their reaping blades cutting and slicing the flesh of the fallen into small pieces. These macabre efforts serve to prepare the corpses for consumption by Slaanesh's otherworldly flora, ensuring that nothing goes to waste in the pursuit of pleasure and excess. The Hellflayers' grim task highlights the twisted and gruesome nature of Slaanesh's realm, where beauty and horror are intertwined in a never-ending cycle of indulgence and destruction.

Equipment

- *Claws and Tongue*
- *2 Chaos weapons*

`3 Exalted Seeker ChariotsSeeker [6 Favor]:

Exalted Seeker Chariots are far from subtle. As the steeds strain against the reins, urging the chariot to full speed, swirling shapes sear the air with unholy hues. The metal axles screech in a disharmony akin to the wailing of tormented souls. To stand against such machinery is not merely a contest of arms, but a struggle of wills that shakes the very boundaries of sanity. When the chariot finally crashes into its target, Daemonettes leap from yoke to spar, their laughter echoing amidst the chaos. With gleeful abandon, they wield their disemboweling strikes, weaving bloody trails in the air as they revel in the carnage.

Equipment

- *Claws and Tongue*
- *2 Chaos weapons*
- *Exalted Of Slaanesh*

Monsters:

30 Fiend of Slaanesh [4 Favor]:

They are unnaturally swift, moving with a scuttling gait that appears strange to mortal eyes. Their tails possess enough force to crack open plate armor, while their stingers are filled with a potent venom that brings agony and death to their victims. Despite their repugnant appearance, these daemons emit an unnatural soporific musk that attracts and immobilizes their prey with its narcotic properties. This fragrance induces hallucinated visions, lacing the thoughts of their victims with rapturous fantasies. Those daemons with the most hypnotically potent musk are known as Blissbringers, capable of transforming even stoic warlords into carefree dreamers, intoxicated with ecstasy and unable to defend themselves. Only those with superhuman willpower have any hope of resisting its bewitching effects. Those who survive the encounter often recall very little of the experience, inviting insanity into their minds as they are haunted by dim impressions of writhing limbs, long lashing tongues, inhuman squeals of delight, and contorted faces filled with the ecstasy of pain.

Possible Upgrades

- *Exalted Of Slaanesh*

Equipment

- *Claws and tongue*

Soul Grinder [6 Favor]:

WARHAMMER COMMUNITY

When a Daemon's physical form meets its demise, it may offer its true name to the Forge of Souls. In this dark pact, its diminished essence becomes bound to a formidable Warp-metal colossus, transforming into a Soul Grinder. Each step of the Soul Grinder reverberates with a clanking tread that shakes the earth, despite its remarkable agility for its size, capable of swift movements akin to a horse's gallop, or even faster if the scent of battle stirs its senses. Powered by piston-driven legs, its strides deliver bone-crushing force, reducing anything unfortunate enough to be caught beneath them to a pulpy mass.

Equipment

- *Warp Claws or Giant Warp Sword*
- *Warp Canon*

Scenarios:

At times, you may feel compelled to offer further tribute to the Dark Prince, seeking to increase your standing in his eyes and earn additional Favor. Now, through the completion of these Scenarios below and yes you can take multiple, not only can you augment your Favor, but you may also receive additional rewards deemed worthy by this troll of a god.

1.Pride in Excess

Slaanesh, the God of Excess, delights when his followers indulge in their hearts' darkest desires, whatever they may be. He has bestowed upon you the eternal task of corrupting individuals to join your cult of pleasures. For every 600 people you convert by the end of the jump, you will receive 1 favor from Slaanesh.

2. Feast For Slaanesh

This scenario is only applicable in worlds where elves exist. Slaanesh, born from the indulgence in elves' dark desires, has set you a clear task: embark on a rampage against the elven population dwelling in this world, ensuring that at least 60% of their numbers are annihilated. The feast of these ancient souls serves as a dark offering to the Dark Prince, earning you 60 favor in Slaanesh's eyes at the end of the jump.and for every 6% of the population you sacrifice after 1 unit gains the Slaanesh's Gifts.

3. Raze the Temples

In this scenario, tailored for worlds where the divine actively intervene in mortal lives, such as in High School DxD, Slaanesh revels in the existence of gods whose sanctity can be profaned, who depend on mortal prayers for power. Under the command of Slaanesh, your task is to obliterate and desecrate every temple and holy site erected by these deities. At the conclusion of your jump, count the number of temples destroyed for each god. For every 6 temples of each god razed, you will receive 10 favors from Slaanesh. Furthermore, choose one unit in your army to receive Slaanesh's Gifts for every 10 favors gained.

4. Daemon World [Incompatible with Apocalyptic Conquest and The Great Game]

Slaanesh has identified the potential of this world as perfect for his domain, rich with excess and indulgence. Slaanesh commands you to transform it into a reality befitting of his image. Your sole means of departure from this jump is by metamorphosing this world into a daemon world in the likeness of Slaanesh. This transformation will be achieved through a blend of seducing the land and its inhabitants with the energy of Slaanesh through elaborate rituals, erecting demonic gates where the essence of the pleasure realm begins to seep and merge with the world, and by unleashing hedonism and decadence. Upon successfully reshaping this world into a daemon world, you will receive 160 favors from Slaanesh, and you will gain the ability to govern this Daemon world, where you can recruit mortals and summon demons from this newly transformed realm.
