

Out of Context: Template Supplement

V1 By "You"

This document can be used as a supplement in any Jump that would not otherwise have "**Your out of Context Power**" within its continuity.

By taking this Supplement you have chosen to be "***The type of being capable of using the power type this supplement is based upon***" and you will enter into that continuity as a Drop-In awakening in "***a way that your type of subject could enter another world including now broken vehicles, magic portals or some other form of teleportation***".

As "***whatever this subject is it is advisable to make them***" are visibly similar to a Human, unless you choose not to be.

+1000 CP

If this Supplement is instead taken as an Isolated Jump you may select a setting of your choice even if it doesn't have a Jump Document and use this document as a ten year long Jump.

Age Problems +100 CP

For the duration of this Jump you lose all age resistance perks and powers.

Almost Entirely Dark +100 CP

Has the sun gone out or something? Everywhere you go, it seems like it's so dark that you could mistake midday for early night.

Always Left Behind +100 CP

Why do they keep leaving you behind?! Companions, allies, and benefactors always ditch you to deal with whatever's going on.

Amnesia; Jumpdoc +100 CP

You lose all memories and knowledge of what you purchased in this Out of Context Supplement and any connected Jumpchain.

Angered Factions +100 CP

Each time you take this, a different, random local faction will consider you an enemy once they become aware of you. There isn't a limit to how many times this may be taken.

Antagonistic Timing +100 CP

Your enemies keep showing up at inappropriate times.

Artificial Flashbacks +100 CP

You have horrific flashbacks to horrible events involving your family and yourself. These events never actually took place, and the flashbacks happen randomly.

As You Know +100 CP

Everyone expects you to already know what's going on so don't expect to get any explanations.

At Least Buy Me Dinner First +100 CP

Dangerous entities have a habit of taking an interest in you... a romantic interest.

Awkward Affection +100 CP

You are really bad at expressing your affection with every attempt you make being extremely awkward and unpleasant for anyone who observes it.

Bad Name +100 CP

Everyone you meet will assume your name is something that you find insulting or annoying and nothing you can do will change it in your mind.

Behind Your Back +100 CP

People always say horrible, hurtful things about you whenever they *think* you're out of earshot.

Black Cat +100 CP

Expect to see ill omens that seem to suggest terrible things coming your way. Mirrors break in your presence, lone magpies drop dead at your feet and other strange, malign portents follow you. Let's hope these superstitions are just that.

Bounty +100 CP

It seems you've pissed off the wrong people. You have a notable bounty on your head, and while it's not enough to get the big guys interested, it *is* enough to draw the attention of random thugs.

Culture Shock +100 CP

This world doesn't have the same cultural standards you're used to, which isn't a problem if you're quick to adapt. Unfortunately, you *won't* be. You'll constantly butt heads with anyone whose cultural norms and social mores are different to your own. While you can slowly adapt, they'll always rub you the wrong way and your overall experience here will be much less enjoyable.

Crop Rotation +100 CP

Pests and poor weather have had a serious impact on the local farming industry. Food will be harder to come across and far more expensive as a result.

Dark Memories +100 CP

You will now gain memories of a lifetime of abuse since early childhood though these memories are false you will not be able to differentiate them from real memories beyond knowing they are fake.

Didn't Read The Instructions +100 CP

You don't know how anything works and refuse to have anything explained to you. Using any sort of equipment will require trial and error.

Disinteresting +100 CP

You seem to emit an aura of monotony causing everyone who doesn't know you to think you are a boring stick in the mud that wouldn't know fun if it hit them.

Do you Feel Lucky Punk +100 CP

You keep unintentionally making pop culture references that no one else seems to recognise.

Double Trouble +100 CP

You will always encounter twice as many enemies in the world, because every foe you face will have an identical copy who only *you* can see. The worst part is that this seems to be a Schrödinger situation as the *real* one is the one who you *don't* go after.

Easily Deceived +100 CP

You're too trusting, willing to believe almost anything you're told, and become confused when you're told conflicting things.

Elites Everywhere +100 CP

Every group of opponents that you face will have at least one additional elite member.

Extended Stay +100 CP

You can increase the duration of this Jump by ten years. You can take this a maximum of ten times, increasing it by up to one-hundred additional years.

Faulty Wires +100 CP

You always believe that anything you go to use will work as expected the first time you try to use it, and you won't realize that something may be malfunctioning until you're proven wrong through firsthand experience.

Friend List +100 CP

Random people claiming to be your friends keep showing up, but you won't remember any of them. Although some of them may be, most are trying to maliciously use you for their own benefit.

The Glitch +100 CP

Technology fails around you, usually when you need it most. This could be anything from airlocks glitching when you're short on air, powerpacks falling out of your blaster when the cyborg-bounty hunter is taking aim, or your cybernetic arm locking up when you need to lift rubble off of yourself. You might be able to jury-rig a quick repair, but you better act quickly because while this won't be instantly fatal, it will make things more dangerous.

Gore Galore +100 CP

It seems that every creature you kill has ten times the amount of blood and viscera that you would expect making it a real possibility of drowning in the blood of your enemies.

Heroic Sayings +100 CP

You unintentionally use quotes and sayings that come across as annoying or cheesy every time you try to talk with others.

Hidden Knowledge +100 CP

People keep forgetting to tell you important things until it's *just* about to become relevant.

Hideous Haircut +100 CP

You have a haircut that everyone finds disgusting. They'll make comments about how ugly it is and nothing you do will change it.

The Holiday Special +100 CP

Whenever you reach an in Jump Holiday the world around you will start to follow the tropes of a Special Holiday Episode. This will happen for every Main Holiday such as Christmas or Halloween and at least once during the Jump for each Less Celebrated Holiday such as May Day or April Fools Day.

Honorbound +100 CP

You always do things as honorably as possible, such as informing someone if you intend to arrest (or kill) them before giving them time to surrender (or prepare) before taking actions.

How Do I Keep Falling Into These Situations? +100 CP

Anytime you're not busy with something - whenever you aimlessly wander around, going for a jog or you just have free time - you'll find yourself walking right into the middle of active trouble.

I Must Nap +100 CP

You need at least seven hours of sleep per day or you'll feel exhausted.

I Spy +100 CP

Your enemies can easily spy on you without being detected.

In Another Castle +100 CP

Each time you attempt to complete a task or objective, you will find that you have been tricked and will have to repeat the process all over again. You'll not only forget this Drawback, you'll also forget every previous time you've been affected by it whenever you start a different task. This only triggers once per task and will not become an endless loop of deception.

Inconveniences +100 CP

You will constantly encounter minor obstacles that are uncomfortable to deal with.

Kick The Cook +100 CP

You are a terrible chef and everything you cook is disgusting. You can't even cook toast without making it *monstrously* vile.

Knowledge Lockout +100 CP

You lose all of your knowledge of the setting's universe and its continuities once you start the Jump.

Language Barrier +100 CP

You do not speak the local language and no one here knows what you're saying until you learn.

Looser +100 CP

Anyone who doesn't know you will automatically expect you to fail at whatever you are trying to do. This will cause those who mean well to push you to work harder and those who don't mean well to attempt to discredit you.

Low Budget +100 CP

Something about this world just seems... *cheap*, with flying wires, plastic shields, old school lights and tatty looking monsters.

Magnet For Misfortune +100 CP

You have *terrible* luck. You're almost constantly hit by random, unpleasant and painful bouts of misfortune.

Money Money Money +100 CP

Your avaricious desire for money and other symbols of wealth leave you willing to go to extreme lengths to get more.

Never Mind My Head Trauma +100 CP

People don't care when you're injured.

Nightmare +100 CP

Each and every night, you'll fall asleep and suffer terrible dreams that you can't separate from reality.

No Hard Feelings +100 CP

There's one random person who constantly tries to outdo you... and somehow, they keep succeeding before rubbing it in your face.

Optician Required +100 CP

Your eyesight is highly restrictive as you can not see anything other than indistinct blurs without wearing glasses. No form of healing can remove this drawback and any form of contact lens will feel incredibly itchy.

Orphan +100 CP

Your in-universe parents are dead and you are an orphan.

Pixelated Objects +100 CP

This pixelation in this Jump would shame an NES. Everything is blocky!

Plot Anchor +100 CP

Every plot seems to revolve around you and no matter what you do you will always be dragged into the story.

The Pollen +100 CP

You have hay fever and it's really, *really* bad. Just a handful of flowers could leave you with blurred vision and sneezing for hours.

Prove Your Worth +100 CP

Every time you try to do anything, it seems that everyone wants you to complete an arbitrary task to somehow prove your worthiness. This won't be hard, but it happens all the time for every little thing. It may even cause you to get stuck in a worthiness spiral, requiring you to prove your worth in order to get things needed to prove your worth for some totally unrelated task.

Recurring Foe +100 CP

You have an enemy who you have no way to convince to leave you alone. Each time they face you, they learn more about you and how better to face you in the future.

Rough Childhood +100 CP

You were not as lucky as some people. Your in-universe childhood was - or will be - abusive and painful to such a degree that you will be affected by it, even if you didn't really live through it.

Scarred +100 CP

You either have horrible burns or horrible wounds, none of which you can hide. You appear monstrous to others.

Scripted Encounters +100 CP

You'll run into whatever threat you're dealing with more often. You won't automatically become a priority target, but sheer proximity is likely to put you at risk.

Shameful Attraction +100 CP

The worst kind of perverts keep seeking you out and trying to get you to fulfill their fetish.

Shy +100 CP

You find that it's incredibly difficult to talk with people you want to be friends with.

Sickly +100 CP

You have a poor immune system and are more susceptible to illness. You'll get sick at least once a month.

Silent Night +100 CP

Unfortunately not. An annoying narrator who constantly insults you and reiterates things that you already know will rhyme in your inner ear every. Single. Christmas.

Silent World +100 CP

The world seems emptier than it ought to be. You don't know what happened, but the population of your starting planet (or nearest equivalent) is *drastically* lower than expected, even after including every named character. If you would normally see eight-billion humans, you can instead expect to see as few as seven-*million* instead.

Simple Minded +100 CP

You find it difficult to understand somewhat complex topics, and you have trouble remembering when holidays are.

Stalker +100 CP

A random, ordinary human knows *everything* about you and is *obsessed* with you. They're also protected from any Perks or Powers that would help you find them quickly.

Stranded +100 CP

Instead of whatever your normal starting location would have been, you find yourself in the middle of a deserted island somewhere in an ocean.

Team Up +100 CP

It seems that you can't go anywhere without some random person showing up and joining you. What's worse, *they* always seem to get any of the praise you may have earned and *you* always get all of the criticism.

They Heard You +100 CP

Any time you say something mean about someone, they'll overhear you and probably get upset. You will forget you took this Drawback.

They Took My Loot! +100 CP

Any time you leave any treasure unguarded, expect thieves to show up and steal it.

This Is A Holdup +100 CP

For some reason, every two bit henchmen, sidekick, minor minion and comedy relief character thinks they can kick your ass and they're going to go out of their way to prove it! Expect to get mugged *a lot*.

This Is A Really Good Book +100 CP

Whenever you try to read a book, you get sucked into the narrative and ignore everything happening around you.

Thugs For Days +100 CP

Everyday, a minimum of ten random thugs will show up and target you.

Touch Of Madness +100 CP

Things keep happening that leave you thinking you're going crazy... and maybe you are.

Turn Based +100 CP

Whenever you enter into a fight with someone you will find yourself transported into a weird pocket dimension where you are only able to take an action after each of your opponents in a fight.

Two Of A Kind +100 CP

People keep drawing parallels between you and other people, and these comparisons are *not* flattering.

Unknown Rival +100 CP

It appears someone has taken a shine to you, but not in a good way. They have abilities or a similar area of expertise to you, and they're *not* taking it well. They won't do anything to outright harm you, but they *will* try to one-up or challenge you, and there's not much you can do to get rid of them. If you beat them at their own game, they'll double-down. If you try to help them beat *you* to get them to leave you alone, you'll come out on top purely by accident which will, again, spur them to double-down.

Unnecessarily Slow +100 CP

Everything that happens here seems to take forever, moving at a snail's pace. I hope you're a patient person.

Unwanted Crossover +100 CP

This drawback acts like a magnet to other settings resulting in some strange individuals from other worlds popping up and potentially causing us issues. These individuals tend to be in line with the power level of the chosen setting but you won't have any way of knowing when someone new has shown up.

Wanted +100 CP

You have a criminal record somewhere out there. It has a surprisingly high bounty, but not so much that you will be sought out. People *probably* won't go after you as long as you stay away from wherever your wanted poster is.

Wearing Underwear on the Outside +100 CP

You have terrible dress sense with everything you wear being the worst possible combination of clothing.

The Weirdo +100 CP

Everyone seems to think you're strange. They'll go out of their way to avoid you unless they actually want to speak to you.

What's His Name? +100 CP

No one seems to remember your name, so you've been given a nickname that really winds you up. What's worse, most people think that it's your actual name.

What's That Smell? +100 CP

No matter where you go, no matter what you do, something always smells slightly off. The source of the smell changes depending on where you are, but it's always distracting.

What's Wrong With His Face? +100 CP

Your face has been messed up, leaving you grotesquely ugly and near unrecognizable to everyone who knows you.

Where Did I Go Wrong? +100 CP

You can't tell the difference between confidence and arrogance.

Why Am I Naked +100 CP

You start this Jump naked and your clothing becomes incredibly fragile as they keep getting destroyed leaving you in the nude.

X-Rated +100 CP

Things in this Jump are a little more... *explicit* than normal. Sex, drugs, murder and a lot more are out there, and it's almost like this world is desperate to show it all off.

Amnesia; Local +200 CP

Until the end of this Jump, you can not remember the events of the setting you have entered.

Amnesia; Personal +200 CP

You have no memories of your personal life before entering the current Jump but this does not affect academic, social or media knowledge.

Amnesia; Jumper +200 CP

You lose all memories and knowledge you gained since beginning your first Jumpchain.

An Accident +200 CP

You keep accidentally falling into compromising positions.

Betrayal +200 CP

You keep trusting people who don't deserve it and they keep betraying you.

Whether you're just that naive or it's against your better judgement, you keep trusting people who don't deserve it and they keep betraying you.

Bigger Boss +200 CP

Any time you defeat an enemy, not only will their superior know, they'll also know *how* you did it.

Blinded +200 CP

You have lost your eyesight and will not regain it this jump.

Dark Minions +200 CP

Some odd physical embodiments of evil will seem to appear everywhere and they always attack you, no one else ever seems to see them or interact with them but those things seem to be drawn to you like ants to sugar.

Dead Or Alive +200 CP

You have a local criminal record and anyone who recognizes you as the target will attempt to turn you in for the bounty.

Demonic Disturbance +200 CP

Your presence has caused discomfort for the demonic entities within your chosen setting. They will attack you on sight and may go out of their way to make sure any acts of evil in your area are directed towards you.

Discount Budget +200 CP

Anything you get your hands on is always the cheapest alternative option.

Fighting Myself +200 CP

At least once per week you will have to fight a fake copy of yourself.

Friends From Beyond Your Dimension +200 CP

A powerful godlike being will interfere in your life making it more interesting or fun for them to observe.

Godly Distractions +200 CP

Your presence has drawn the attention of the universe's local divinity. Though they will not take direct actions against you they will pull strings to make things difficult for you until you choose to confront them. If no gods exist within the Jump continuity your Jump-chan may choose to retroactively add the Gods, such as the Greek Gods to the setting for this Drawback.

Hormone Problems +200 CP

You have a heightened state of arousal that makes it so that you are constantly in the mood and find those you are attracted to far more attractive.

Lemming Friends +200 CP

All of your in-universe allies gain an unfortunate lack of self-preservation, causing them to take actions that are obviously stupid or will likely end very poorly for them.

I Hate Fighting Me +200 CP

At least once per week you will have to fight a fake copy of yourself, some will be shapeshifters, artificial replicas and occasionally incomplete clones.

Instructional Video +200 CP

Whenever you do something for the first time you will be forced to watch a long boring tape that doesn't actually explain anything.

Is this Blood +200 CP

You have an unfortunate habit of coming across fresh corpses without any excuse or explanation.

Lemming Behaviour +200 CP

You seem to lack any, no matter the danger no matter the threat you seem to face it as though you are invulnerable. The greater the chances of you being crippled maimed or killed the more excited you become.

Looking For Help +200 CP

You have difficulty finding allies and will often find yourself alone without anyone to trust.

Mirror Match +200 CP

It seems that you have a Clone out there causing chaos. They will have all the perks and race options you picked in this Jump but their minds are empty.

Nightmares +200 CP

You will suffer terrible nightmares showing you the dark and twisted actions of your enemies.

Perfection +200 CP

You are now a perfectionist and will refuse to accept anything less than perfection.

Pet Food +200 CP

Creatures of every shape and size will want to eat you from the smallest bug to the largest lion, the only exception to this are sentient creatures such as humans.

Pig +200 CP

You are always hungry with no amount of food truly satisfying your appetite.

Poor Underestimation +200 CP

You forget this drawback and whenever you underestimate an opponent they will get stronger.

Publicity +200 CP

Every mistake you make will become public knowledge, and every negative misinterpretation of your actions will be pushed to the front. It's almost like someone is trying to make you look bad.

Read People Like A Brick +200 CP

You can't read people, you can not understand people's emotions, and you often misconstrue what they mean causing you to be oblivious to the intentions of others.

Sore Thumb +200 CP

There is something odd about you that makes you seem noticeable as a foreign being to anyone who deals with anything not native to Earth or this dimension.

Stealthless +200

You are very bad at sneaking.

The Bad People +200 CP

For some reason everybody is an asshole to you. They will treat you like dirt and if you dare refuse to do anything for anyone don't expect any kind of help from them ever.

The Good People +200 CP

It seems that everybody wants something from you, they want you to get their cats out of trees or fetch them milk for their tea, regardless if you refuse to do a task for someone you're the asshole. On the bright side, if someone has already given you a task that you are currently working on, people are less likely to give you new tasks.

Thou Shalt Not Kill +200 CP

You are not capable of killing someone, giving anyone who may be killed by you selective immortality.

Too Soon +200 CP

Every attempt at a romantic confession or to kindle a relationship will crash and burn in a humiliating way.

Too Nice +200 CP

You tend to be overly accommodating for others, allowing them to dictate or make decisions for you. While most of the time this will be simple things such as what to eat or where to go if left unchecked you could find others determining your whole life for you.

True To Myself +200 CP

Alternative versions of you from the future keep showing up and causing disturbances before disintegrating.

What The Heart Wants +200 CP

You have a massive crush on one of the main characters as appropriate for you, you will discover which one when the jump starts.

Wider World +200 CP

This world is bigger than you would normally think but this makes the world more dangerous. There are more magical schools, more super martial arts, more alien races who will target the planet, more magical creatures that will show up to cause trouble, and more that would normally not be shown and all of them seem to think they should involve themselves in the plot.

You're A Joke +200 CP

It seems that no matter what you do or how effective you are, everyone will see you as a failure and treat you like a joke.

You're only Paranoid if You're Wrong! +200 CP

You expect every word to be a thinly veiled threat, every offer to be a chance of preempt betrayal, every moment of weakness is an opportunity to be attacked.
