

What if you found a portal to a parallel universe? What if you could Slide into a thousand different worlds? Where it's the same year, and you're the same person, but everything else is different. And what if you can't find your way home?

Welcome, Jumper, to

SLIDERS
JUMPCCHAIN

You were already fucking doing this.

*This jump is intended as a joke, it is not the intent of the author for the existence of this jump to preclude the existence of a legitimate Sliders jump.
