

Out of Context: DBZ Android Supplement

V1.10 By DeverosSphere

This document can be used as a supplement in any Jump that would not otherwise have DBZ style Androids within its continuity.

By taking this Supplement you have chosen to be an artificial human using the designs of Dr Gero and you will enter into that continuity as a Drop-In awakening in an Damaged Android Pod wired into a moss covered and badly Damaged Time Machine with only Red Ribbon Clothing, luckily you are free of his programmed influence.

As an Android you are visibly similar to a Human, unless you choose not to be.

+1000 CP

If this Supplement is instead taken as an Isolated Jump you may select a setting of your choice even if it doesn't have a Jump Document and use this document as a ten year long Jump.

Origin:

The various modes of androids were designed by Dr Gero.
With that being the case, what type of Android are you?

Mechanical Android

It seems that you no longer have any organic tissue and are instead a purely Mechanical Hominid constructed by Dr Gero with bulletproof artificial skin.

Augmented Human

You were an ordinary human who has been augmented by Dr Gero causing you to have cybernetic components integrated into your body at the cellular level.

Synthetic Organism

Rather than being constructed or augmented you were grown in a lab by Dr Gero from some of the generic tissue he has been experimenting with.

Perks:

Note:

To get a **Booster**: Perk you will need to purchase the complimentary Perks as an example:

In order to get the Perk **Something Unique**, you need to take both the **Almost Unique** Perk that it follows and the **Something Rare** Perk that is commented before the boosted Perk.
