

Seto no Hanayome (my bride is a mermaid) Jumpchain

by Faucheusestar

Seto no Hanayome's story revolves around Mermaids, having to hide their true nature from humans because of an ancient law obliging them to do so if they reveal they have killed the human or themselves, or to bring the human into their family.

2• Cinema

You are currently at the cinema where there is a marathon of all Bunta Willis films.

3• School

Well, you're at school, which is a normal place...

4• Maid cafe

You appear in a maid café, your order has already been paid and being surrounded by so many Moe Moe gives you this **Moe Moe [100 CP | Free for Yakuza fishy]**

5• the worst place in the world

What are you doing here, is it courage or simply unconsciousness? All around you there are cats as far as the eye can see, and if you pet them you get **Cat Tamer [100 CP | Free for «Normal People»]**

Free Pick.

You are free to choose where you choose from the available options.

Age and Gender

Freely choose your own age or gender.

Origins

Drop-In [Free]

You are dropped in this new universe with no background, memories, or documentation.

Yakuza fishy [Free]

Written as Ningyo(Mermaid)... Read as Ninkyo(Chivalry), you are an honorable yakuza of the seas

«Normal People» [Free]

In this world there aren't just fishy yakuza and protagonists, no, there are also more normal people... That is, if you consider that there really are «Normal People» here.

Race

Human [Free]

You are a boring vanilla human, hope this universe has those otherwise you might stick out.

Mermaid/Triton [200 CP]

You are physically much stronger than humans and can transform yourself into a fish, whether partially or not, so feel free to choose your favorite fish. What's more, your voice holds great power and you know lots of songs that can affect people.

Perks

Origins get their 100cp perks for free and the rest are discounted to 50%.

Drop in

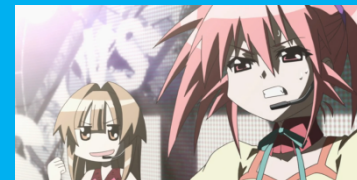

Body guard [100 CP | Free for Drop in]

You learn all the bodyguard techniques much more quickly than you would normally, from detecting that the person you are protecting is in danger to firing a (water) pistol in their place.

Funny face [100 CP | Free for Drop in]

You can use all the strange expressions from the series, whether they turn into a chibi look or refer to other manga.

Flashback [200 CP | Discounted for Drop in]

How can you do that? You're the protagonist and, like him, you can tell the logic of the world does not work. Once per jump, you can invoke the power of flashback on yourself or another person and negate their state, whether they're under mind control/drugs, seriously injured or not, thanks to their memory and willpower, they'll break the effect and return to normal.

harem Protagonist [200 CP | Discounted for Drop in]

It even gets ridiculous, any girl (or boy or anything) you find cute will have a romantic interest in you and that's even if you didn't realize she was your type whether it's because of a disguise or being the delegate... What's her name? The delegate, of course!

Danger detector [400 CP | Discounted for Drop in]

You're supernaturally good at dodging, perhaps because of all those sirens trying to kill you? In any case, even asleep you could dodge a deadly attack from an assassin or even dodge running bullets.

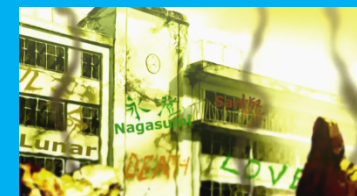

Phonic Resistance [400 CP | Discounted for Drop in]

Why are you not affected! You're immune to all sound-based techniques except those that positively affect you, a handy ability in a jump full of sirens.

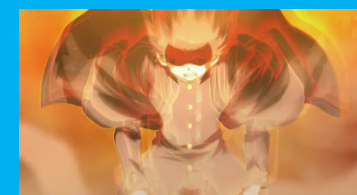

Genre shift [600 CP | Discounted for Drop in]

You could transform a romantic slice-of-life universe into an apocalyptic one, or the other way round, turn the scariest worlds into anime about cute girls who melt cute things and it works even better if it's for a humorous purpose!

Hero Song [600 CP | Discounted for Drop in]

You can naturally enter the state of super warrior induced by the song of the hero, this makes you much more powerful if you were a normal human you could stop bullets with your teeth or your simple aura and become stronger than a newt, the effect is even increased if you receive the feelings of an adorable mermaid singing for you.

Yakuza fishy

Moe Moe [100 CP | Free for Yakuza fishy]

You're adorable enough to become the idol of your school or your country, or even the whole world... You can also be cool if you prefer, and if you're a muscular yakuza dad take the cool option your girls will thank you!

Chivalrous spirit [100 CP | Free for Yakuza fishy]

You can rain cherry blossom petals and play a song in the background, ideal for showing your determination! It also works with any theme

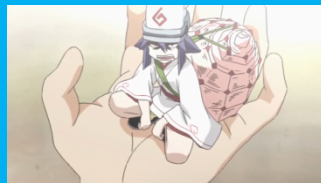

Masa-san ♥! [200 CP | Discounted for Yakuza fishy]

What a fearsome yakuza you are, maybe it's the suit, your reliability or your walk in any case, married women are very interested in you and think you're cool, and strangely enough, so does anyone you kiss.

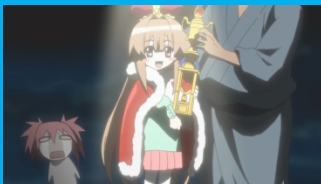

Innocent face [200 CP | Discounted for Yakuza fishy]

You're particularly adept at hiding your true intentions, being able to switch from one face to another instantly, and you're also skilled as an assassin and a few idol skills.

Mermaid's song [400 CP | Discounted for Yakuza fishy]

The voice is the mermaids' weapon and you can sing incredibly well and lovely, transmitting emotions according to your song. This may already be true for human performers, but as a mermaid you could sing a song about war and start a battle, a strange song and put people to sleep and torpedo them! What's more, any sound ability, be it magic, a perk, an object or anything else, is amplified.

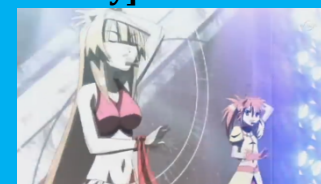

Swordsman [400 CP | Discounted for Yakuza fishy]

You're a great swordsman that's got to the point where you could take on a yakuza gang by yourself. Your talent with a sword is so great that you seem to be a different person when you draw one, all your clumsiness disappears and you become super concentrated.

"Do you think a fake can beat the original?" [600 CP | Discounted for Yakuza fishy]

You can copy someone else's skills and, better still, you can quickly approach their level by continuing to copy them. Anyone who sincerely believes that copies can't beat the originals has yet to see you because with time you surpass them.

Terminator [600 CP | Discounted for Yakuza fishy]

There are normal mermaids and there are those like the president of Edomae and Gōzaburō or now you. you're a living reference to those robot films from the future looking for a certain Sarah you're extremely strong, capable of taking a rocket or an orbital laser without flinching, being able to smash through walls smashing giant moray eels with your fist and your fish form is now a dragon... And you can shoot lasers with your eyes?!

«Normal People»

Playing a role [100 CP | Free for «Normal People»]

Not everyone can be such a good actor, but for you it's simple, whether it's the way you speak, your voice, a little bit of ability or anything else that makes you believable, you can imitate everything to play your role perfectly.

Cat Tamer [100 CP | Free for «Normal People»]

You can summon cats, which love fish and can tell the difference between real humans and those who hide their nature. What's more, they're teleguided, a bit like lovely heat-detecting missiles, so they can turn in the air to avoid obstacles!

White Fish Scale [200 CP | Free for «Normal People»]

You can transmute matter into the form of large, sharp scales, and you know how to use a sword and are a user of the Shiranui style of sword.

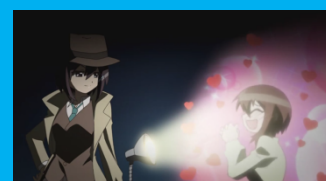

Wise elder [200 CP | Discounted for «Normal People»]

You're always full of good advice, a real sage, or should I say hermit, everyone assumes you've got the right words, will listen to you and might even manage to move forward on the path of life where before they were stuck, this power is powerful enough to convince an anime harem protagonist to choose, so make good use of it Jumper!

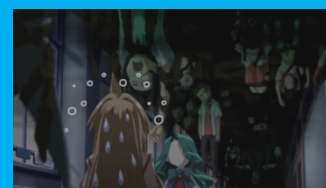

Miss agent [400 CP | Discounted for «Normal People»]

Choose a profession you like and you'll now have all the skills of that profession on a supernatural level. If it's a policeman, you can easily make anyone talk if it takes the form of an interrogation, be particularly perceptive in finding clues or even use handcuffs in strange ways, such as throwing them with such precision that they bind someone.

Ghost? [400 CP | Discounted for «Normal People»]

You have the powers of a ghost straight out of the scariest horror films: you appear and disappear... Or maybe you just control the seaweed, you are a professional stalker and coincidences have a way of working out! What's more, you can make objects found in the ocean of the current jump appear from your hair.

Mars [600 CP | Discounted for «Normal People»]

You can simply cancel out any power linked to sound. Even the combined singing of a thousand mermaids is nothing to you. You possess a terribly powerful ability in this world where songs are so important. What's more, you know how to use a firearm... Poor little mermaid!

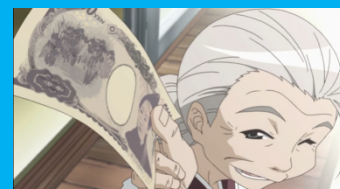

Items

Items may be imported into similar - items, weapons to weapons, clothes to clothes, etc.

Drop in

War funds [100 CP | Free for Drop in]

You may have appeared there without an identity but you've got money, some might say war chest even if it's not enough unless your war is to seduce a lovely mermaid by funding your festival date. Every time you have a date you get a bit of extra money

Goodies [100 CP | Free for Drop in]

A collection of all products derived from seto no hanayome whether figurines, albums, film Bunta Willis manga and anime through a version of your adventure in this jump

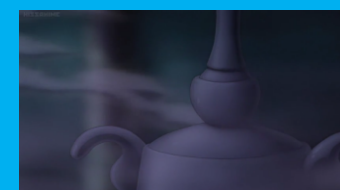

Leaf and gun [200 CP | Discounted for Drop in]

You obtain a leaf that generates ice to turn your enemies into blocks of ice, as well as an energy attack reminiscent of a bear's claw. You've also got a rather powerful firearm that, despite its small size, easily destroys blankets. Both weapons are replicas of the ones used by Maruko and her bodyguard Maki II... I mean Fuki!

Incense [400 CP | Discounted for Drop in]

You must have stolen this from a noble, little scoundrel. In any case, with this little marvel you can put almost anyone to sleep except humans, who are obviously inferior to newts, so you can neutralize your opponents or do unspeakable things to them... Like throwing them into a kitty pool, eh? What did you have in mind?

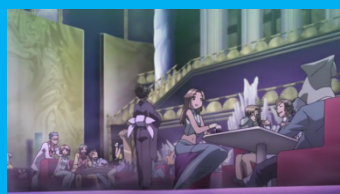

Neptune [400 CP | Discounted for Drop in]

A magical spear which, despite its inability to injure, is capable of purifying people's negative emotions, turning even the most evil into good, as well as restoring people who have been transformed, whether by a suspicious drink or seriously injured, to their normal state of health.

Underwater villa [600 CP | Discounted for Drop in]

A richly decorated underwater villa with a bar where drugs and alcohol flow freely, and of course it comes with an army of loyal evil henchmen who obey your every command and don't break the position even when their colleagues are being devoured by a shark a meter away... Well, you'll be replacing the idiots in charge of the surveillance cameras, because they're really hopeless!

Yakuza fishy

Festival [100 CP | Free for Yakuza fishy]

It's as if your family is manning all the stalls at every festival you visit, offering you a giant, delicious version of the food, letting you play the various games for free, and you can also summon up some festival's food.

Sword [100 CP | Free for Yakuza fishy]

As a yakuza, you need a sword. After all it never dulls and is as indestructible as the chivalry of mermaids.

Conch [200 CP | Discounted for Yakuza fishy]

The same weapon as Sun's bodyguard and famous assassin "Spiral Shell" Maki, not only does it fire pressurized water bullets without ever running out of ammunition and is capable of destroying trees and rocks, but you can propel yourself with it.

Fan [200 CP | Discounted for Yakuza fishy]

Your own dedicated group of fans wearing your colors will follow you to hell and back, so don't underestimate the Simp. They're weirdly good at everything if you sing for them.

Edomae company [400 CP | Discounted for Yakuza fishy]

You are the chairman of Edomae or an equivalent company, which focuses on construction and real estate but also has contacts in the film and idol industries.

TV-shopping company [400 CP | Discounted for Yakuza fishy]

You own a large TV-shopping company similar to this one, or perhaps the Seto family's one, in addition to a good income you can order everything there for free... Of course everything is very useful... Sometimes... well let's say you can get a drink that brings out the true feelings of those who drink it or another one that makes you look like the fantasy of every girl who sees you but makes every boy want to hit you, all of which fortunately usually lasts a short time but if you look you'll find several surprisingly useful things...

Yakuza boss [600 CP | Discounted for Yakuza fishy]

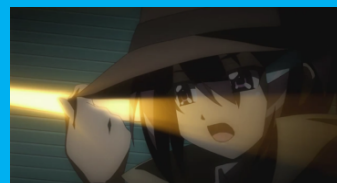

As a Yakuza boss you obviously have your own underwater base full of fish henchmen at your service. Maybe it's the Seto clan or some equivalent.

«Normal People»

Disguises [100 CP | Free for «Normal People»]

In fact, it would be easier to find disguises that you don't have, because any disguise that's useful for a gag you're thinking of will appear on you instantly.

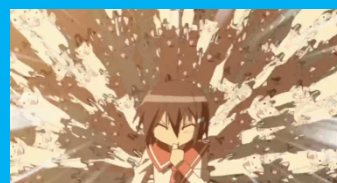

Astronaut's suit [100 CP | Free for «Normal People»]

It's an authentic astronaut's suit, which has been made indestructible by the Mikawa research department, following the destruction of numerous astronauts.

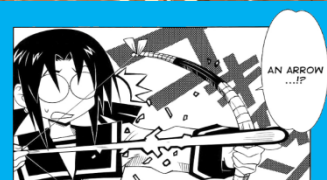

Whistle [200 CP | Discounted for «Normal People»]

This seemingly ordinary whistle hides a formidable ability: it can greatly multiply the number of creatures summoned, whether by perk, spell or other means. If you blow it with Cat tamer, a veritable wave of felines will appear.

Gender X [200 CP | Discounted for «Normal People»]

This bow, which belonged to Last Amazoness, has the power to generate arrows that change the sex of anyone who receives them.

Submarine[400 CP | Discounted for «Normal People»]

A submarine powered by the power of money, it works in all environments, both under the ocean and under the earth. What does it do, you ask? It's simple-it creates a channel wherever it goes thanks to the power of money!

Vénus [400 CP | Discounted for «Normal People»]

This divine sword is a tuning fork that amplifies the power of any sound-related ability enormously. In addition, the blade vibrates, increasing its cutting ability and, thanks to its immunity to sound, can parry any sound attack.

Cellphone [800 CP | Discounted for «Normal People»]

You're the head of the Mikawa Corporation and like Kai Mikawa you can call on their vast resources, from orbital satellites and aircraft to aircraft carriers, submarines and rockets. You're just a phone call away, whether in this jump or the next, and with a simple phone call you can also obtain information on anything that's recent or about to happen thanks to your network.
