

Out of Context: Shadowkhan Supplement

V1 By DeverosSphere

This document can be used as a supplement in any Jump that would not otherwise have Shadowkhan within its continuity.

By taking this Supplement you have chosen to be a Shadowkhan and you will enter into that continuity as a Drop-In awakening while falling out of the local universe's **Shadow Realm**.

+1000 CP

If this Supplement is instead taken as an Isolated Jump you may select a setting of your choice even if it doesn't have a Jump Document and use this document as a ten year long Jump.

Origin:

There are normally nine tribes of Shadowkhan who tend to take on a number of different appearances to align with their tribe, six of them are hominoid shaped with half of those and the other three being monstrous in appearance.

You are now the tenth tribe, a new and unique type of Shadowkhan with unknown potential.

Warrior Khan

As one of the Warrior tribe Shadowkhan you look vaguely like a Human but with grayish-blue skin and glowing red eyes.

The canon Warrior tribes of Shadowkhan are the Ninja Khan, the Sumo Khan and the Samurai Khan.

Clawed Khan

As one of the Clawed tribe Shadowkhan you are hominid in shape but are clearly not human with your having some monstrous features with the most prominent of these being your powerful Claws.

The canon Clawed tribes of Shadowkhan are the Razor Khan, the Bat Khan and the Crab Khan.

Inhuman Khan

As one of the Inhuman tribe Shadowkhan you do not look anything like a human with your monstrous appearance being clear for anyone to see.

The canon Inhuman tribes of Shadowkhan are the Squid Khan, the Mini Khan and the Mantis Khan.

Perks:

Shadow Steps - Free

As a shadowkhan you have gained the power to turn into and travel through shadow and have the ability to phase through solid matter.
